## RULES

The Baw Baw Festival will be taking place from Thursday 21st June to Saturday 23rd June, whereas the festival competition itself will be held on Saturday 23rd June 2012 at the Ajdovščina Youth Center and Hostel hall. The festival's selection committee will first make their initial selection and later announce their final picks on the websites.

Genres such as horror or thriller movies are slightly more likely to be featured in the festival, but other film genres will be accepted as well. The main priority is the idea itself, since these are all amateur productions, the technical execution of it is not as important when it comes to choosing screenplays.

### Tender

The tender for the Baw Baw international film festival has to be announced three months ahead of the festival. The tender has to include:

- the address, where the films have to be sent
- the place and time of the festival
- the closing date for submissions
- other important information

### Participation

Films which can participate in the Baw Baw film festival:

- are amateur productions
- are not feature length films
- have to meet the expectations of the selection committee which consists of three members
- were submitted within the time constraint set by the organizer (the date on the postmark will be considered).
- Films which are not filmed in the Slovene language have to have Slovene or English titles
- Films from the horror genre are at an advantage.

Silent films can also be submitted.

### Participants' rights and obligations

Anyone who submits their film and makes it to the festival, gives the Ajdovščina Youth Center the right to show their work via any media format or at any public showing for promotion purposes absolutely free of charge. At the end of the festival, all of the participants will receive a certificate of participation at the Baw Baw international film festival.

The Ajdovščina Youth Center does not cover travel expenses for the trip to the festival, it does, however, provide a discount on accommodation at the youth hostel.

The Ajdovščina Youth Center enables authors of submitted films some additional promotion in the local media (the radio and newspaper).
